Nabby Day Camp

August 16, 2007

## HARVARD

What a great eight weeks of camp we've had!! From the first week we had fun playing sports such as soccer, baseball, golf, kickball and hockey. In addition, we've learned new and different games called tennis racket baseball (TRB), pillow polo, gladiator, and running base. In the past few weeks Harvard has participated in the Junior Camp Olympics, Jr. Camp Fun Day, and even a Carnival where the campers played games and won prizes. We were invited to enjoy some of the senior camp's water slides on their 'fun day', and we have made some very creative and interesting projects in arts and crafts. Last but not least, we really enjoyed participating in the camp music show "Nabby Goes Broadway" and we thank all of the parents for coming to encourage and support us! Through the many weeks of fun games and activities, Harvard has made many new friends!

## DUKE

As our 2007 summer season comes to a close the men of Duke spent time reflecting on our favorite moments. In addition to our weekly specials like Relay Races, Hollywood Rock Games, Scavenger Hunt, Predator and Prey, Apache Relays, Carnival, and Color War we enjoyed so many things. Among the more memorable events were the softball victory over Floridan, the dodgeball tournaments, Super Fun Day, Pablo's spanish poems and "their phenomenal counselors." Campers are saddened to see the summer come to an end, but we have all made lasting friends.

--Ryan, Jack & the much missed Matt

## CORNELL'S POETRY

*This summer went by so fast,  
The Cornell girls had a blast!  
We loved music, nature and so much more,  
If we weren't at Camp Nabby the summer  
would have been a bore.  
Art is when we showed our creative side,  
On Super Fun Day we loved the slides.  
We will never forget the friends we made  
this summer,  
If anyone doesn't return next year it would  
be a bummer!*

## YALE BOYS

Wow, those eight weeks flew by! We've made great new friends and learned all sorts of new games and sports. The Yale boys practiced long and hard to memorize our song for the show and we did a GREAT job! We will miss you all and it's only 44 weeks' til camp starts again!

--Lisa, Jeremy & Alex

## BUBBLE CUBS

We have had an amazing summer at camp. All of the Cubs have enjoyed swimming, arts and crafts, and EVERYTHING here at Nabby. This is an amazing place. We've made new friends and have learned a lot. We're sad that we have to say good-bye but we will be able to smile at all of the wonderful memories. We look forward to seeing you again in summer of 2008!

--Mara, Kaitlin, Erica, Melissa and Megan

## COLBY ENDS WITH A BANG!

What a week we had, and we did it with a bang! Colby girls worked so hard for our performance and we hope you enjoyed it. We had fun playing our usual sports and games, even introducing a new ball game, Scatter. The girls really enjoyed scattering to get as far from the ball as possible so that they wouldn't get eliminated. Some of our girls are so speedy on their feet! In nature, we held the new baby rabbits that we have been anticipating all summer. They are just 6 days old! We are sad to say goodbye this final day as we all enjoyed a wonderful summer. We had 36 gloriously sunny days out of the 38 camp days. We will all miss the sunny faces of Colby. Enjoy the rest of your summer and we look forward to seeing you all again next year!!

--Jennifer, Emily & Erica

## DOUGLASS LOVES NABBY

Douglass has a great eight weeks at Camp Nabby. We all enjoyed our special days like Apache Relay, Super Fun Day, and Color War, but we couldn't have made it through camp without dodgeball and kickball. Everyone has thoroughly improved their tennis and swimming skills while making some terrific friends along the way. We will miss all of you!

---Lissy & Kelsey
