PRINCETON

This year's "Princeton Pros" had an incredible summer, as the statistics show. For example, on the mini baseball field, the results of every inning were recorded, and the boys scored a total of **X** runs this summer! In our annual Hole-in-one contest, they made a total of **x** holes-in-one, breaking the old record of 115! Several boys made more than a dozen holes-in-one. The stopwatch reveals that in the 40 yard dash, the boys' average time improved by **x** seconds over 8 weeks. The first graders also had fun learning new strategies and developing a positive attitude in all other sports as well. And, last week, in our annual Tug-o-War contest (which dates back to the last century!!!), the kids beat their counselors in a thrilling 30.87 second battle. Great work Princeton Pros!!!

COLUMBIA

It's hard to believe that we have made it through another 8 weeks at Nabby. With all our tennis, swimming, baseball and dodgeball, the time has rolled by in the blink of an eye. We had such a wonderful time in Columbia this year with a fantastic group of boys! Collectively, our hitting and fielding has vastly improved and tennis is looking like an easy game to play! For now, I guess school will have to get in the way until Nabby season 2012 can begin!

JACKSON

This week was a blast for the Jackson girls! At Carnival Day, Jackson's Big Bounce Shot booth won Best Decorated and was a great creative game for the kids. In week 7, Sarah Klein won "Jacked Up Jackson" for her outstanding display of spirit and altruism. Super Fun Day was a great time for the girls to have a great time on the rides and relax.

As we come to the end of another great summer, Jackson showed collaboration and persistence as we wrapped up Color War during week 8. The girls have had a great summer, and as some move on to being C.I.T.s, they can always remember their Jackson days!

HARVARD

As the saying goes, "all good things must come to an end", and so it goes for the glorious sun and fun filled days of summer at Camp Nabby. The Harvard boys put on a spectacular performance at the Jr. Camp Musical, making their parents and counselors very proud! Our last week at Nabby was spent enjoying our favorite activities – dodgeball, wall ball and swimming. We said good-bye to Asst. counselor Eric, who left for college and we will all miss the good times and great friends we had at Camp Nabby. Have a great school year and we'll see you next summer!

JUNIOR CAMP MUSICAL

Here at Nabby Day Camp, past is certainly precedent. After the success of the annual Junior Camp show during the last week of the 2010 season, music director Mike Squillante and assistants Alana Harris and Jen Fischer knew they had to deliver! This year, the show ("**Songwriting thru the Seasons**") was based on the four seasons of the year, with four groups representing each season. Our campers voted on one specific thing about whichever season their group chose and dove headfirst into the writing process! After one year of songwriting under our belt, the songs came together much faster, as did the choreography. Topics ranging from snowball fights to watersports, complete with costumes and decorations, made this year's week 8 showcase an even bigger hit than last year!!!

SMITH

What a smurftastic summer the Smith Smurquettes have had at Nabby! We really enjoyed playing "Nabby Idol" at music! All of the Smurquettes showed their singing talents and had a great time! We loved smurfing in the teepee with Ranger Rick and Noelle...especially roasting marshmallows at the campfire – smurfalicious!!! The carnival, of course, was smurfin' good fun! We are sad the summer has come to an end at Camp Nabby and we'll all miss our Smurfette friends and counselors! We can't wait to see them all for the summer of 2012!!

NEW PIZZA RECORD SET!!!

Last Friday at Camp Nabby was an historic one in the lunchroom! As many of you parents know, a lot of our groups have pizza delivered for lunch on Fridays. Last Friday, it seemed as though EVERY camper had a "slice" in their hand!!! At the end of the Jr. and Sr. Camp lunch, pizza boxes were collected and an astonishing **70** boxes were stacked!!!!

WOW...will this be one of those long standing records, or will next year see even more pepperoni and mozzarella cheese???

HAVE A GREAT SCHOOL YEAR...SEE YOU NEXT SUMMER!!!
